Edmonton Warriors Junior B Head Coach

Are you interested in furthering the Sport of Lacrosse?

Edmonton Warriors Junior B Tier 1 team is seeking a volunteer Head Coach who will take our team and program to new heights. The Coach will be responsible to provide leadership for the players' physical and mental training, conduct team practices and develop game strategies. Applicants should have prior playing or coaching experience, have a commitment to instill a high standard of sportsmanship and player development, excellent leadership and motivational skills, and a strong knowledge and passion for the game. Must have or obtain the Competitive Introduction Training.

The Warriors are committed to developing its players and providing opportunities to its members from minor right through major lacrosse. As a senior member of the Warriors major program the Head Coach would be instrumental in representing this philosophy and assisting in the strategic development of the entire Edmonton Warriors lacrosse program.

Strong program support is provided, allowing the coach to focus on coaching and program development rather than fundraising and administration.

Qualified and interested applicants should submit their resume to ypmajor@warriorslacrosse.ca.
